Ndaru L Santosa

UI/UX DESIGNER & PRODUCT DESIGNER

Designer with a technical backbone. I craft end-to-end digital experiences—from user research and heuristic audits to high-fidelity prototypes and scalable Design Systems. My engineering background ensures every design is not only beautiful but also feasible, developer-friendly, and built for real-world impact. View Portfolio →

EXPERIENCE

PT. Solvera Global Teknologi
OCT 2025 — DEC 2025

UI/UX Designer • Internship

Led end-to-end redesign of solvera.id. Conducted heuristic evaluation on legacy UI, established a modern visual direction via moodboarding, and crafted high-fidelity mockups with a precision grid system. Delivered design handoff docs, style guides, and performed Design QA for pixel-perfect implementation.

PT. Bhinneka Alam Nusantara
SEP 2022 — OCT 2024

UI/UX Designer • Full-time

Designed mobile UI patterns and built a scalable Design System for SIALAM, a mountain-hiking registration app. Created high-fidelity prototypes and detailed design handoff docs. Conducted usability testing and Design QA, improving task completion by 25%. Led Design System refactoring for long-term scalability.

SDN Sunter Agung 12 PG
DEC 2025 — JAN 2026

Web Developer • Contract

Designed and engineered Sadulas, an integrated school information system. Created user flows and an intuitive admin dashboard UI to reduce staff cognitive load, then developed the fullstack solution using CodeIgniter 4, PHP, and MySQL.

Crooked Indonesia
MAR 2022 — AUG 2022

Web Developer • Internship

Developed a responsive e-catalog website using PHP (CodeIgniter) and Bootstrap. Synchronized data structures with frontend requirements and ensured Information Architecture aligned with navigation flow. Zero critical downtime throughout the contract.

SELECTED CASE STUDIES

SIALAM App

PT. Bhinneka • Mobile App

Designed a mountain-hiking registration app with invite-based team management. Built a scalable Design System, high-fidelity prototypes, and design handoff docs. Performed Design QA and iterative usability improvements.
